

Campbellsport Public Library's 1000 Books Before Kindergarten Old MacDonald's Farm

Welcome to the 1000 Books Before Kindergarten program! This is a free program that encourages you to read 1,000 books with your child before he or she enters school. One of the best ways to encourage learning is to spend time sharing books every day. Reading together helps develop important pre-reading skills that provide a solid foundation, a key to school and learning success. Plus, sharing stories is fun! It is easy to participate!

- 1) Read together.
- 2) Write the titles on your reading log. If you read a book more than once, you can record it each time. Books read to your child at library storytime, a daycare or by others also count!
- 3) When you finish reading 100 books, bring your sheet to the library and collect your stickers and your next reading log. Share what your favorite books were with the librarian.
- 4) Repeat steps 1 - 3, and receive a different reading log at each level.
- 5) When you finish reading 300 books you will receive a special book bag!
- 6) After finishing 1,000 books, your child receives a book and a certificate, and gets an awesome jumpstart on success at school.

Take every chance you have to read with your children, tell and talk about stories, say nursery rhymes, sing songs, and attend library programs. By reading just three stories a day you and your child will have read over 1,000 books in one year. You will also have shared many special moments along the way. The library is a fun place featuring books to check out, free programs and great suggestions for what to read. Stop in often and talk to our friendly staff – we are here to help.

Please stop by the library or give us a call (920) 533 – 8534 if you have any questions.

Happy reading!
